### **NUTRITION PROGRAM**

by Blancadelia A. Caraccioli

Children seen in the Clinic are  
evaluated to determine if  
they are underweight as  
defined by the normal growth  
chart. If they are  
malnourished, they are placed  
in the "Nutrition Program"  
until a normal weight range is  
achieved.

The cost to sponsor a family  
is \$30 a month, which  
qualifies the entire family,  
not just the child, to receive  
food approximately every 10  
days. The mother or guardian  
comes for the food.

Except in unusual cases, the  
mother or guardian is  
required to attend classes  
provided by the program.  
Classes in sewing and hair  
care enable the family to  
become self-sufficient, to get  
a better job in a factory or  
shop and to better care for  
the family.

Every three months the  
doctor at the Clinic evaluates

the children in the program.  
In some isolated cases, a child  
does not improve because the  
child's state of health or  
malnourishment prohibits  
improvement. Sponsors send  
their support of \$30 a month  
to the Westover Hills church  
in Austin, Texas, the  
sponsoring congregation. (Or  
if you wish, you can send the  
money to Las Damas c/o  
Vultee Church of Christ).  
Mark your check For:  
Nutrition Program.
