TIME FOR A CHANGE

For the last ten years our Summer Fundraiser has been a Brunch prepared & donated by our ladies. This year it has been decided to change to a catered Lunch. Jay Smith, the son of one of our members, owns a franchise for Uncle Bud's Catfish. The price of the meal will be \$12.00 for a minimum of 75 people. This means that we must have reservations in advance. There will be a choice of catfish, shrimp or chicken fingers served with French fries, coleslaw, hush puppies and white beans. The date will be Saturday, July 24 at 11 am at Vultee Church of Christ.

As usual there will be a program following the meal. The proceeds from this fundraiser will go to help support Lenin & Emperatriz Munguia during their studies at Harding Graduate School in Memphis,

Lenin & Emperatriz Munguia

Lenin has been accepted as a graduate student at Harding University Graduate School of Religion beginning in August. He is under contract to teach at Baxter after graduation.

AMICUS Purchases 32-Passenger Bus

The Amicus Association recently purchased a 32-passenger bus in Tegucigalpa. Baxter has needed a smaller bus for quite awhile but never found what was needed for the price they wanted to pay. The "new" bus is in excellent condition and was available at a reasonable price. It will accommodate many transportation needs and reduce the overhead involved in using bigger

busses to transport small groups of 10 to 30 people.

New Clinic Evangelism Effort

Baxter and La Vega church work together to reach clinic patients for Jesus.

Mario Rodriguez makes the trip every morning, arriving at the JMA Clinic in time to greet the patients waiting in line for medical treatment. He leads a devotional for the patients and afterward engages patients in conversation as they wait, offering a listening ear, spiritual counseling and Bible studies. Mario is a member at the LaVega church and has helped with the spiritual work at the clinic over the past couple of years at his own expense.

Earlier this year, Baxter and LaVega developed a new cooperative effort to increase the quality and results of the evangelistic work at the clinic. The partnership developed after the appointment of Miguel Aguilar as Director of Campus Spiritual Life. Dr. Howard Norton, Baxter president, worked with Miguel to recruit Mario Rivera, who also serves as choral director, as the Baxter point man for the evangelism project. The "Mario brothers" Mario Rodriguez and Mario Rivera, have devoted themselves to this project with renewed zeal. Mario Rivera is also working to redefine and reenergize

the involvement of Baxter students in this endeavor.

The results of this renewed effort are already apparent. At least four patients have expressed a desire for baptism. Such requests are referred to a local church, in this case, to LaVega church which is

the church nearest the clinic and nearest the homes of the patients involved. In the past, connecting patients who were converted at the clinic or through clinic evangelistic campaigns was a challenge. This new effort will make the connection more natural and provide an ongoing source of

spiritual support for those who are baptized into Christ. It appears that the new partnership will yield results for the kingdom that far surpass our previous efforts. Please pray for this work.
